

*Dear Members, Families, and Friends of the Royal Canadian Armoured Corps and its Association,*

*At this special time of year, I wish to extend heartfelt Christmas greetings to all of you. This festive season offers us the opportunity to reflect on the strength of our Corps and its Regiments and School - and the bonds we share as a Corps family.*

*We are fortunate to be part of such a organisation with its proud and storied history, one built on sacrifice, camaraderie, and service to our country. As we celebrate the holidays, let us remember the values that define us: loyalty, honour, and the unwavering support we provide each other.*

*To all those who have served, those who continue to serve, and the families who stand with us, I express my deepest gratitude. Your dedication and commitment are the heart of the RCAC, and I am proud to stand with you.*

*On behalf of the Royal Canadian Armoured Corps and its Association, I wish all of you a joyful and peaceful Christmas, and prosperous new year with those you hold dear.*

*May the coming year bring you good health, happiness, and continued strength.*

*Merry Christmas and Happy New Year to all.*

*Worthy!*
